We look forward to welcoming you to our home, in the heart of the Provençal Colorado ! A spacious home, surrounded by space... space for a whole range of various activities.

A home with a lot of personality.

Located within the Luberon Reserve and, even more so, within the Provençal Colorado (listed as a Heritage Site - label Grand Site de France on study), on the edge of the Provençal forest where, because of the outstanding interest of the local flora and fauna, building is completely prohibited. Two kilometres from the village of Rustrel and just 150 yards from the start of the many hiking trails (short and long trails covering the ochre quarries, the 'fairy chimneys' and a Romanesque chapel).

Apt 7 km (open-air market on tuesday & saturday) ; Bonnieux 19 km ; Roussillon 21 km ;

Lacoste 22 km ; Gordes 28 km ; Ménerbes 29 km ; Aix-en-Provence 56 km ;

Avignon 59 km ; Marseille 85 km.

Peace and quiet, just a few minutes away from the most beautiful villages in the Luberon. Tucked away in the forest, the listed 19th century buildings have been restored to create a artists' home where you'll be welcomed like friends.

Swimming pool with sweeping sundeck and shady trellis, 1000 m2 of garden and covered garage. Spacious lounge.

Built in rough and dressed stone in 1840, listed in 1989, the buildings which make up La Forge were originally a foundry which, up until 1890, produced cast iron, iron and steel using the rich metal-bearing deposits from the hillside of Notre-Dame des Anges.

Restored between 1990 and 1994, the whole complex is located on a single plot of 10594 m2 of land, including over 1000m2 of enclosed garden.

The buildings include :

- a two-storey house with its south-facing windows ; double bedroom «Soleil» ; dining area of some 70m², with a big log fire in the open fireplace in winter opened to our guests.
- a swimming pool with a spacious paved sundeck, again south-facing, a shady trellis along the side of the sundeck,
- large outside kitchen available to guests ;
- a hall, redesigned, opening onto the garden,
- private shadowy parking.

We're sure you'll fall under the spell of the site with its natural beauty and the buildings standing on the edge of the Provençal forest near the beginning of many hiking trails.

The double bedroom « Soleil », garden level, big enough to accommodate two without feeling cramped, is fitted with one 160 x 200 matrimonial bed, and can also receive a cot (wich we don't provide).

- private terrace onto the garden, bathroom with « à l'italienne » shower, toilet with bidet, wardrobe facilities, corner office.

Comfort : central heating; hot water from electric immersion heater (total hot water tank of 200 liters) controlled by a thermo-static tap. Walls decorated with paintings or lithographs.

Free WIFI access.

Breakfast is served by the poolside or in the dining room, depending on the season.

Restauration : we benefit from proximity to a nice restaurant, located 200 m away, by the forest edge, open for lunch and dinner (closed Monday & Tuesday), traditional cuisine. Two others (2 km, in the village).
